MEDICINAL.

Dr. Pierce's GOLDEN MEDICAL DISCOVERY Restores LOST FLESH AND STRENGTH

"I was a total wreck—could not sleep or eat," writes Mr. J. C. Beers, of Berryman, Crawford Co., Mo. "For two years I tried medicine from doctors but received very little benefit. I lost flesh and strength, was not able to do a good day's work. I commenced taking Dr. Pierce's Golden Medical Discovery, and when I had taken one bottle I could sleep and my appetite was wonderfully improved. I have taken five bottles and am still improving."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore, accept no substitute for "Golden Medical Discovery."

INTERESTING MISCELLANY.

Commissioner of Internal Revenue
Yerkes has decided that a farmer has a
right to retail his tobacco in its natural
state without a license.

The Senate on Saturday passed Mr.
Fairbanks' bill, appropriating \$125,000
for a new building for the Bureau of
Engraving and Printing. The building
is to be erected on the site of the
present laundry and stable.

Dr. Edward Vanderhauf, a physician
who had the ability and the education to
make a splendid name for himself,
but who fell into disrepute because of
his excessive use of drugs, is dead at
Bellevue Hospital in New York. He
was taken there a raving maniac Friday
night and died on Saturday.

A dispatch to the London Daily Mail
from Berlin says the annual edition of
Perthe's almanac of the German nobility,
just published, shows that thousands
of waiters, coachmen, bartenders, miners
and other workmen in the United States
are recruited from the ranks of German
nobility and the number is increasing
rapidly every year.

The epidemic of typhoid fever in
Philadelphia instead of diminishing
under the heroic measures being prosecuted
by the health authorities to wipe out the
disease, continues to spread in that city.
During the current week there were re-
ported to the bureau of health by the
attending physicians 329 new cases and
23 deaths, making a total of 1,632 cases
and 84 deaths returned since the begin-
ning of the year.

The new twenty-five knot Cunarders—
the greatest ocean steamships ever
planned—which are under construction
in England will be marvels of marine
architecture. The vast engines will re-
quire a thousand tons of coal a day.
There will be luxurious passenger quarters
and the ocean stock exchange, wherein
passengers will transact business (per
Marconigrams), just as though they
stood in Philadelphia or New York.

The Harrison divorce case was argued
in Norfolk on Saturday before Judge
Martin. George E. Harrison, an archi-
tect, the son of Mrs. Julia Harrison, of
the Brandon family, is suing his wife,
Mary M., for a divorce, and she has filed
a crossbill, both of which were consid-
ered that day. Mrs. Harrison is the daugh-
ter of General Walker and has possession
of the two children. She and the chil-
dren are living with her father, in Mor-
ristown, N. J. The contest is over the
children.

To deepen their patriotism by a visit
to the birthplace of their country, a
company of schoolboy pilgrims will
journey from New York Easter week to
Jamestown Island and the historic city
on the James river. The pilgrimage,
which is prompted by prominent society
people, who feel the glory of their
colonial descent and are anxious to
imbué their children with race tradi-
tions, will include the sons of wealthy
parents and pupils of some of New
York's exclusive schools.

By order of court Mount Airy, the old
colonial estate of the Calvert family,
about six miles from Upper Marlboro,
Md., will be sold on February 16. The
reason for the sale is that since the
death of Miss Eleanor Calvert, there are
about seven heirs to the property, and
the court has ordered it to be sold so that
it can be divided. Mount Airy was
granted to the Calvert family in 1632 by
King Charles I. of England. The old
portraits, silver plate and jewelry are
also to be sold.

RAILROADS IN VIRGINIA.
In the House of Delegates on Satur-
day copies of the annual report of the
railroad commissioner were on every
desk.

General Hill's report is statistical in
great part. Some of the totals are these:
Trackage in Virginia, 4,891 miles.
Gross earnings and income, \$98,668,
722.

Operating expenses, etc., \$68,028,745.
Interest, \$16,917,617.
Casualties: Number killed, 174; in-
jured, 943; passengers killed, 3; passen-
gers injured, 83; employees killed, 49;
employees injured, 663.

Thirteen persons were killed on the
Chesapeake and Ohio, twelve on the
Norfolk and Western, three on the Rich-
mond, Fredericksburg and Potomac,
nine on the Southern, four on the Atlantic
Coast Line and one on the Seaboard
Air Line.

Another goes into details as to gross
and net earnings and interest. Here are
averages:
Gross earnings per mile, \$6,432.
Expenses and deductions per mile,
\$4,435.
Interest per mile, \$1,103.
"This year, as the preceding one,"
says Commissioner Hill, "has been un-
usually prosperous, and all roads report
increased earnings."

Thirty-two roads make reports.
